

## **Interpersonal and Intergroup Conflict: A Bibliography of Readings Recommended by ISPSO Members**

Compiled January, 2012 by Ernest Frugé, Ph.D.

**Abstract:** One important benefit of membership in ISPSO is the connection to a world-wide network of colleagues who share and interest in the psychoanalytic study of organizations. Occasionally members will post a request to the member email list serve for recommended readings relevant to a specific topic. In January 2012 a request was issued for references related to a psychoanalytic and/or organizational perspective on interpersonal or intergroup conflict. Credit for the bibliography goes to the following ISPSO members who suggested the readings in the document available for download through the ISPSO Library:

William Czander, Michael Diamond, Ross Lazar, Susan Long, Marc Maltz, John Newton, Mario Perini, Stephanie Segal, Burkard Sievers, Kenwyn Smith, Klaus Stagis, Leopold Vansina, Steen Visholm & Sheila White
